

## Nissan Forklift Parts

Nissan Forklift Parts - Nissan takes immense delight in achieving overall consumer satisfaction, when their customer is experiencing one of their various products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to offering high value and meticulous quality standards to their customers. Incorporating a prosperous heritage combined with strong processing principals, Nissan lift trucks provide some of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide needs of their diverse purchaser base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to providing customer support, the business has four independent manufacturing facilities that allow them to continually adapt to their customers continually evolving wishes by offering a variety of modern ideas and concepts.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, manufacture, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to maintain environmental responsibility by using systems and procedures that lessen their environmental footprint. These high values remind consumers that Nissan operates under the quality seal that their clients require whilst being an environmentally aware company.

Nissan is assured that they will be able to address any customer queries or considerations. Always available through their website or by calling 800.871.LIFT, contacting one of their community sanctioned sellers or even going to their Midwestern facility, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
