

## Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with successfully manufacturing, designing, developing, marketing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to offering top quality and new design concepts in order to meet the diverse requirements of their clients.

TREK Cleaning Machines always provides fresh design ideas as proven in their product development. They like providing items which energize both their partners and their dealers and provide production gains to their clients.

The team at TREK enjoys dealing with new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' needs and skills combined with their comprehension of cleaning applications, together with owners' strong desire to dramatically lessen expense through productivity gains.

The employees at TREK and their dealer-partners are really dedicated to having both parts and technical support accessible when it is required. Their high service commitment is among the core values in their customer service. Keeping their clients' cleaning machines functioning and ready on a daily basis is top priority. The company's top of the line technology delivers reliable machinery that eventually reduces your cleaning cost. The price, the service and the product all work as one to make them the leader in the industry.
